

Analox 3D

Certificate No: 26-7766

ANALOX

INNOVATION IN GAS MEASUREMENT TECHNIQUES

CARBON MONOXIDE ANALYSER

BENEFITS AND FEATURES

ELECTROCHEMICAL SENSOR	:	Ensures fast specific response to CO.
DIGITAL DISPLAY	:	Large, easy to read display of CO level.
AUDIO VISUAL ALARM	:	High intensity LED and horn to warn of dangerous CO levels.
ADJUSTABLE ALARM	:	To set for your application.
ALARM RELAY CONTACT	:	Initiates external alarm or control.
REMOTE ALARM UNIT	:	Optional for remote warning of dangerous CO levels.
CALIBRATION FUNCTION	:	Allows optimum performance for maximum safety.
SOLID STATE CONSTRUCTION	:	Advanced circuitry gives dependable performance for your security.
INTERNAL FLOW CONTROL	:	For wide operating range to allow easy installation.
WATER RESISTANT	:	Suitable for mounting in water spray areas (IP65)
